SAP System Settings

This guide provides detailed instructions for verifying and/or changing all systems settings required for the SAP system.

Monitor Resolution

Certain monitor resolution settings are required for working in the SAP system. The minimum screen resolution should be set NO LOWER than 1024 X 768. If the screen resolution is at a higher setting, no adjustments are necessary.

Verify Screen Resolution

To verify the screen resolution settings:

- 1. Right click on the desktop
- 2. Select **DISPLAY SETTINGS**
- 3. In the SETTINGS DISPLAY window, scroll down to Scale and layout
- 4. Verify that the *Resolution* setting is 1024 X 768 or higher
